AFFIDAVIT OF WILLIAM Q. DERROUGH

I, William Q. Derrough, a Managing Director of Jefferies, being duly sworn, hereby deposes and says:

1. I am a Managing Director of Jefferies & Company, Inc. ("Jefferies"), an investment banking firm with its principal office located at 520 Madison Avenue, New York, NY 10022 with offices located world-wide. I am duly authorized to make and submit this Affidavit on behalf of Jefferies in accordance with section 1103 of title 11 of the United States Code (the "Bankruptcy Code"), and Rules 2014(a), 2016(b) and 5002 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), in connection with the application (the

“Application”), of the official committee of unsecured creditors appointed in the above-captioned cases (the “Committee”) for an order pursuant to sections 328(a) and 1103(a) of the Bankruptcy Code authorizing the Committee to retain and employ Jefferies as investment banker and financial advisor.

2. Unless otherwise stated in this Affidavit, I have personal knowledge of the facts set forth herein and, if called as a witness, I would testify thereto.¹ Capitalized terms and phrases not otherwise defined herein shall have the meanings ascribed to such terms in the Application.

3. I believe that Jefferies and the professionals it employs are uniquely qualified to advise the Committee in the matters for which Jefferies is proposed to be employed.

4. In its capacity as the Committee’s investment banker and financial advisor and as outlined in the Jefferies Engagement Letter, Jefferies is prepared to perform certain postpetition services, including, without limitation, the following:

- a) become familiar, to the extent Jefferies deems appropriate, with and analyze the business, operations, assets, financial condition and prospects of the Debtors;
- b) advise the Committee on the current state of the “restructuring market”;
- c) assist and advise the Committee in examining and analyzing any potential or proposed strategy for restructuring or adjusting the Debtors’ outstanding indebtedness or overall capital structure, whether pursuant to a plan of reorganization (the “Plan”), a sale of assets or equity under Section 363 of the Bankruptcy Code, a liquidation, or otherwise (all of the foregoing, the “Restructuring”), including, where appropriate, assisting the Committee in developing its own strategy for accomplishing a Restructuring;

¹ Certain of the disclosures set forth herein relate to matters within the knowledge of other employees at Jefferies and are based on information provided by them.

- d) assist and advise the Committee in evaluating and analyzing the proposed implementation of any Restructuring, including the value of the securities, if any, that may be issued under the Plan; and
- e) render such other financial advisory services as may from time to time be agreed upon by the Committee and Jefferies, including but not limited to providing expert testimony, and other expert and financial advisory support related to any threatened, expected, or initiated litigation. It is expressly agreed that, other than as set forth above, Jefferies will not evaluate or attest to the Debtors' internal controls, financial reporting, illegal acts or disclosure deficiencies.

5. In connection with its retention by the Committee, Jefferies researched its client database to determine whether it had any relationships with the entities listed on Schedule 1 attached hereto (the "Potential Parties in Interest"), as follows:

- a) The Debtors and their affiliates;
- b) The Debtors' officers and directors for the past 3 years;
- c) The Debtors' principal shareholders;
- d) The Debtors' secured lenders, including current and former agents under credit facilities and their professionals;
- e) Record holders of 5% or more of the Debtors' debt securities;
- f) Indenture trustees with respect to the Debtors' debt securities;
- g) Underwriters of the Debtors' securities issued in the past 3 years;
- h) The Debtors' largest unsecured creditors;
- i) The Debtors' professionals;
- j) The Debtors' insurers;
- k) Counterparties to major contracts and leases with the Debtors;
- l) Parties to significant litigation with the Debtors and their counsel;
- m) The Debtors' major customers and suppliers;
- n) Governmental authorities having jurisdiction over the Debtors;
- o) Unions representing the Debtors' employees;

- p) The members of the Committee;
- q) The Committee's professionals;
- r) The professionals retained by individual Committee members;
- s) The staff of the Office of the United States Trustee for the Southern District of New York;
- t) Bankruptcy Judge Robert D. Drain and members of his Staff; and
- u) And certain other parties in interest Jefferies.

As part of this inquiry, Jefferies then entered the names of Potential Parties in Interest into a computer database containing the names of all clients and conflict information concerning the clients of Jefferies. This inquiry revealed that certain of the Potential Parties in Interest were current or former Jefferies clients (the list of such clients is referred to herein as the "Client Match List"). Through the information generated from the above-mentioned computer inquiry, and through follow-up inquiries with Jefferies' professionals responsible for certain clients listed on the Client Match List, Jefferies determined that the representation of, or relationship with, the clients on the Client Match List concerned matters unrelated to the Debtors. In particular, to the best of my knowledge, information and belief, Jefferies (a) currently represents the entities identified on Schedule 2 annexed hereto on matters unrelated to these cases, (b) formerly represented the entities identified on Schedule 3 annexed hereto on matters unrelated to these cases, (c) either makes a market in and/or publishes research on the securities of the entities identified on Schedule 4 annexed hereto, and (d) has other relationships with the entities identified on Schedule 5 annexed hereto in connection with matters unrelated to these cases.

6. As described above, Jefferies' equity trading department has from time to time made a market in and bought or sold or otherwise effected transactions for customer accounts and for its own account in the securities of the Debtors through its department referred

to herein as the “Trading Desk.” The Trading Desk, however, is not and was not an investment banker for any outstanding security of the Debtors in connection with the offer, sale or issuance of a security of the Debtors. Moreover, the Trading Desk is physically separate from and does not share any information with the investment banking group seeking retention in these cases. A customary securities “information wall” exists between Jefferies’ investment banking group and the Trading Desk. Accordingly, the Trading Desk’s activities relating to the Debtors’ securities does not constitute a conflict of interest that would disqualify Jefferies from providing services described in the Jefferies Engagement Letter. The Trading Desk may continue to buy or sell or otherwise effect transactions in the securities of the Debtors on an unsolicited basis for customer accounts to maintain an orderly market for such securities.

7. Also, as part of its diverse global activities, Jefferies is involved in numerous cases, proceedings and transactions involving many different professionals, attorneys, accountants and financial consultants, some of which may represent claimants and parties-in-interest in the Debtors’ chapter 11 cases. Further, Jefferies has in the past, and may in the future, be represented by several attorneys and law firms in the legal community, some of whom may be involved in these cases. In addition, Jefferies has in the past, and may in the future, be working with or against other professionals involved in these cases in matters wholly unrelated to these cases. Based on our current knowledge of the professionals involved, and to the best of my knowledge, none of these business relationships constitute interests materially adverse to the Committee herein in matters upon which Jefferies is to be employed, and none are in connection with these cases.

8. As to the remainder of the individuals and entities set forth in paragraph 5 above, to the best of my knowledge, Jefferies has not been employed by or rendered advisory services to any of them within the past five years.

9. Except as described herein, neither Jefferies nor to the best of my knowledge, any employee of Jefferies is or was a creditor or equity holder of the Debtors.

10. Neither Jefferies, nor to the best of my knowledge, any employee of Jefferies is or was an investment banker for any outstanding security of the Debtors.

11. Neither Jefferies, nor to the best of my knowledge, any employee of Jefferies is or was, within three years before the commencement of these cases, an investment banker for the Debtors, in connection with the offer, sale or issuance of a security of the Debtors.

12. Neither Jefferies, nor to the best of my knowledge, any employee of Jefferies is or was within two years before the commencement of these cases, a director, officer or employee of the Debtors.

13. Jefferies is a global investment banking firm with broad activities covering trading in equities, convertible securities and corporate bonds in addition to its investment banking and financial advisory practice. With more than 80,000 customer accounts around the world, it is possible that one of its clients or a counter-party to a security transaction may hold a claim or otherwise is a party-in-interest in these chapter 11 cases. Furthermore, as a major market maker in equity securities as well as a major trader of corporate bonds and convertible securities, Jefferies regularly enters into securities transactions with other registered broker-dealers as a part of its daily activities. Some of these counter-parties may be creditors of the Debtors. Jefferies believes none of these business relationships constitute interests materially

adverse to the Debtors' estates herein in matters upon which Jefferies is to be employed, and none are in connection with these cases.

14. Except as may be otherwise set forth herein, to the best of my knowledge, Jefferies, its principals and professionals (i) do not have any connection with the Debtors or their affiliates, their creditors, or any other party in interests, and (ii) do not represent any other entity having an adverse interest in connection with these cases. Jefferies does not, has not and will not represent any entity, other than the Committee, in matters related to these chapter 11 cases.

15. The Debtors have numerous creditors and relationships with various individuals and entities that may be parties in interest in these cases. Consequently, although every reasonable effort has been made to discover and eliminate the possibility of any conflict, including the efforts outlined above, Jefferies is unable to state with certainty whether one of its clients or an affiliated entity holds a claim or otherwise is a party in interest in these chapter 11 cases. If Jefferies discovers any information that is contrary to or pertinent to the statements made herein, Jefferies will disclose such information to the Court on notice to creditors and the United States Trustee promptly. Jefferies does not advise, has not advised, and will not advise any entity, other than the Committee, in matters related to these chapter 11 cases.

16. The Fee Structure is consistent with Jefferies' typical fee for work of this nature. The fees are set at a level designed to compensate Jefferies fairly for the work of its professionals and assistants and to cover fixed and routine overhead expenses. It is Jefferies' policy to charge its clients for all disbursements and expenses incurred in the rendition of services.

17. It is not the general practice of investment banking firms to keep detailed time records similar to those customarily kept by attorneys. Jefferies' restructuring

professionals, when formally retained in chapter 11 cases, and when required by local rules, do, and in these chapter 11 cases will, keep time records describing their general daily activities, the identity of persons who performed such tasks and the estimated amount of time expended on each activity on a daily basis. Jefferies' restructuring personnel do not maintain their time records on a "project category" basis. I believe that for Jefferies to recreate the time entries for its restructuring personnel and require its non-restructuring personnel to record their time as prescribed by the Local Rules would be, in each case, unduly burdensome and time-consuming.

18. The Fee Structure is comparable to those generally charged by financial advisory and investment banking firms of similar stature to Jefferies and for comparable engagements, both in and out of court, and reflect a balance between a fixed, monthly fee, and a contingency amount which are tied to the consummation and closing of the transactions contemplated in the Jefferies Engagement Letter.

19. The Indemnity is a reasonable term and condition of the Jefferies engagement. Unlike the market for other professionals that a debtor or committee may retain, indemnification is a standard term of the market for investment bankers and financial advisors. In fact, the Indemnity is comparable to those generally obtained by financial advisory and investment banking firms of similar stature to Jefferies and for comparable engagements, both in and out of court.

20. The proposed retention is reasonable and based on the customary compensation charged by Jefferies and comparably skilled practitioners in matters outside and other than chapter 11 cases, as well as cases under chapter 11, and has been approved and implemented in not just this jurisdiction but also in chapter 11 cases elsewhere. Indeed, the entire engagement as set forth in the Jefferies Engagement Letter (as modified in the

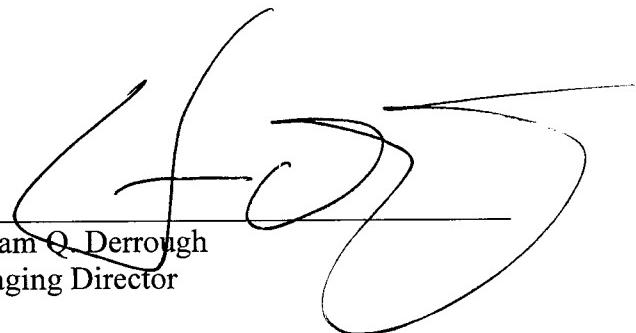

Application), is common within the industry and reflects what is considered to be “market” both in and out of chapter 11 proceedings, in each case, in light of Jefferies’ experience in reorganizations and the scope of work to be performed pursuant to its retention.

21. Other than as set forth above, no other arrangement is proposed between the Committee and Jefferies for compensation to be paid in these cases.

22. The foregoing constitutes the statement of Jefferies pursuant to sections 329 and 504 of the Bankruptcy Code, and Bankruptcy Rules 2014(a), 2016(b) and 5002.

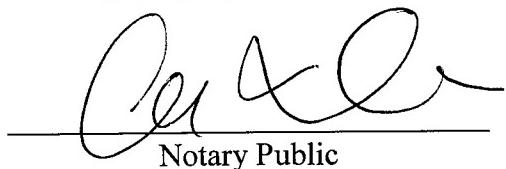

[Continued on Next Page]

I declare that the foregoing is true and correct to the best of my knowledge. Executed this 26
